

To the Directors of EA Nominee Limited

Independent Assurance Report – Custodial

Opinion

We have undertaken a reasonable assurance engagement on EA Nominee Limited's ("the Custodian") compliance, in all material respects, with the Financial Markets Conduct Amendment Regulations 2020 ("the Regulations") for the year ended 30 September 2024.

In our opinion the custodian's processes, procedures and controls were suitably designed to meet the control objectives in clause 229V (2) of the Regulations throughout the year ended 30 September 2024; and the custodian's processes, procedures and controls operated effectively throughout that relevant period in all material respects.

Basis for Opinion

We conducted our engagement in accordance with Standard on Assurance Engagements (SAE) 3100 (Revised), *Compliance Engagements* issued by the New Zealand Auditing and Assurance Standards Board.

We believe the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Respective Responsibilities

The Directors are responsible for

- (a) The compliance activity undertaken to meet the relevant requirements of the Regulations
- (b) Identification of risks that threaten above being met and controls which will mitigate those risks and monitor ongoing compliance.

Our Independence and Quality Management

We have complied with the independence and other ethical requirements of Professional and Ethical Standard 1 *International Code of Ethics for Assurance Practitioners (including International Independence Standards) (New Zealand)* issued by the New Zealand Auditing and Assurance Standards Board, which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

Baker Tilly Staples Rodway Audit Limited applies Professional and Ethical Standard 3 which requires the firm to design, implement and operate a system of quality management including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Assurance Practitioners Responsibility

Our responsibility is to express an opinion on EA Nominee Limited's compliance with the Regulations in relation to the Control Objectives stated in clause 229V (2) throughout the year ended 30 September 2024.

Our engagement has been conducted in accordance with SAE 3100 (Revised), which requires that we plan and perform our procedures to gain reasonable assurance about whether the Custodian has complied, in all material respects, with the regulations in relation to the Control Objectives stated in clause 229V (2) throughout the year ended 30 September 2024.

An assurance engagement to report on the Custodian's compliance with the relevant requirements involves performing procedures to obtain evidence about the compliance activity and controls implemented to meet the relevant requirements of the Regulations. The procedures selected depend on our judgement, including the identification and assessment of risks of material non-compliance with the Regulations as evaluated against relevant requirements.

Other than in our capacity as the independent assurance practitioners we have no relationship with, or interests in, EA Nominee Limited.

Inherent Limitations

Because of the inherent limitations of an assurance engagement, together with the internal control structure, it is possible that fraud, error or non-compliance with the compliance requirements may occur and not be detected.

As the procedures performed for this engagement are undertaken on a sample basis, our assurance engagement cannot be relied on to detect all instances where EA Nominee Limited may not have complied with the Regulations.

A reasonable assurance engagement for the year ended 30 September 2024, does not provide assurance on whether compliance with the compliance requirements will continue in the future. The opinion expressed in this report has been formed on the above basis.

Use of Report

This report has been prepared for the Directors of EA Nominee Limited in accordance with Regulations. We disclaim any assumption of responsibility for any reliance on this report to any persons or users other than the Directors of EA Nominee Limited, or for any purpose other than that for which it was prepared.
